

Beyond here, the road will reveal itself when you walk it.

THE WAITING PLACE

What does this call need from you now?

A step? Preparation? Support?
Rest? Or simply your attention?

THE CROSSROADS

Where does choice still live?

Whether? How? When? What still belongs to you?

THE STIRRING

What happens within you when you turn toward it?

Simply notice. Nothing here needs to be judged or explained.

THE WHISPER

What is calling to you?

Name it without deciding what you must do about it.
